# Somerset

Inviting daylight rambler with excellent floor plan to suit all your needs. Four bedrooms all on the main floor.

The living room is anchored by a wood burning fireplace with marble surround, handsome cherry mantle and built-in shelving. Picture windows let you enjoy the private, beautifully landscaped backyard. The expansive deck offers an electric awning; a perfect place for dining al fresco!

The kitchen features oak cabinetry with slide-out shelves and a breakfast bar with seating for three. Appliances include Sub-Zero refrigerator and Bosch dishwasher. The casual dining area includes a built-in buffet with glass cabinets and a charming bay window seat.

A wonderful family room off the kitchen boasts a floor to ceiling brick fireplace.

The generous master suite with updated bath is conveniently located on the main floor.

An oversized recreation room features a gas fireplace, built-in cherry entertainment center and cabinetry, a wet bar and space for a game table. A slider leads to the a gorgeous setting with a stamped concrete patio surrounded by impressive landscaping.

Excellent location close to Somerset Elementary school, community parks and I-90 for an easy commute.
